United States District Judge

Re: United States v. John Doe
Criminal Docket No. 13-28 (ENV)

Dear Judge Vitaliano:

The government respectfully submits this letter in response to Newsday's motion, dated November 21, 2016 and renewed on April 27, 2017, for unsealing of all filings in the above-referenced matter. The government opposes the broad unsealing of all filings, for the reasons detailed in a sealed letter filed today. However, in the interest of minimizing the amount of information in a criminal case filed under seal, the government is attaching hereto a redacted indictment and a redacted superseding information for filing on the public docket. Finally, Newsday has seeks an order commanding the government to notify Newsday of the next scheduled court appearance. The government does not object to notifying Newsday of the scheduling of any future appearances.

Respectfully submitted,

BRIDGET M. ROHDE
Acting United States Attorney
